*"All I See Is You" is the second radio release off Chris Brazeal Band's third studio project, "A Heart Like Yours". After giving a tip of the cap to the classic Hal Ketchum song "Small Town Saturday Night", Chris and the band are excited to deliver an original to Texas radio. Written by Chris himself, "All I See Is You" is the story of the love of his life. Chris married his longtime girlfriend of 8 years this past summer, and this song expresses the true affection he has for his Texas sweetheart.*
