Who is Jeff Clayborn? That's a bit of a mystery. One thing is for sure, JC knows how to create great music and bring it to life. His song, "Good Bar Attender," is being hailed as the next country sing-along anthem with its own line dance to boot! Just recently released to music video, "Good Bar Attender" features the ever lovable comedian and humorous, Chad Prather as "Lucky."

"Good Bar Attender" pulls everyone to their feet. "You can't help but sing along and raise your glass to this fun country anthem!" - Chuck Ebert (Grammy Award-Winning Producer and Eight-Time Nominee)
