

Essentials of Ohio Nursing Law: Update 2011
Pamela S. Dickerson, PhD, RN-BC
2011

Nursing Law: 4723 ORC/ Rules 4723 OAC

Purpose of the Board of Nursing

Evidence Based Practice

Scope of Practice, RN (4723.01 ORC)

Scope of Practice, LPN (4723.01 ORC)

Nursing Process, RN (4723-4-07 OAC)

Nursing Process, LPN (4723-4-08 OAC)

Advanced Practice Designation

Continuing Education: Evidence of Professional Development

Rules for Delegation: Evidence of Effective Use of Resources

Standards of Safe Nursing Practice: Evidence of Safe Practice

Competence

Client Safety

Professional Boundaries

Integrity

Discipline: Evidence of Unsafe Practice

Bottom Line: The Ohio Board of Nursing is obligated to protect the public; practicing with the designated scope of practice and following laws/rules helps the nurse maintain a license. Having a license is a privilege: use it wisely!
